

Diversity and Inclusion Training Program

BE KIND Inclusion Workshop

PEOPLE DO NOT LEAVE JOBS. PEOPLE LEAVE OTHER PEOPLE.

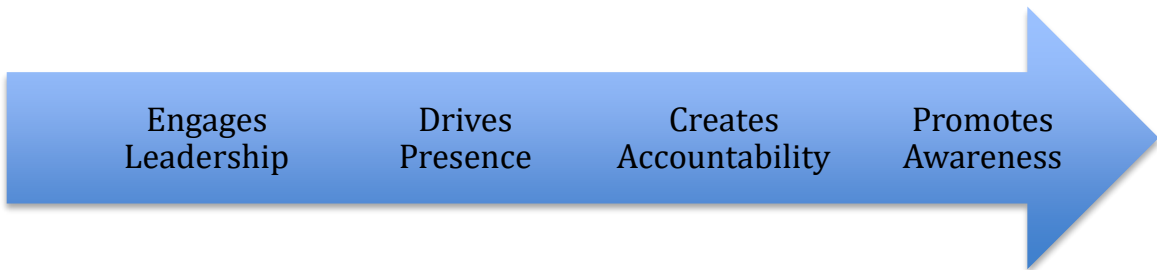

How important are respect and inclusion? They are key to attracting, developing, and retaining talent. Creating a respectful, inclusive workplace is fundamental to any organization reaching its potential.

Did you know that 87% of your workforce is not engaged? That means turnover, low productivity and degraded organizational culture.

THE ROLE OF INCLUSION

Inclusion is the engine that drives successful diversity programs.

The BE KIND Inclusion Path to a Vibrant Organizational Culture

B

Creates Inclusion Awareness. We equip employees to address generational differences, different cultures, inappropriate behaviors, and bias in the workplace.

E

K

Uses Metrics. We utilize data metrics and collaborate with leadership, compliance lines, Human Resource Departments, Recruiting, on-boarding, off-boarding, and employee survey providers.

CUSTOMIZED AND INTERACTIVE EXERCISES

This workshop of interactive group discussions empowers employees to be present, be accountable, and take appropriate action.

Train people well enough so they can leave. Treat them well enough so they don't want to. – Richard Bronson
